THANET NEWS

Dear Parents and Carers,

It's been an unusually quiet end of term compared to normal but we felt we wanted to say our final goodbye for this academic year.

It has been the strangest of summer terms that any of us have encountered and we would like to share again our thanks and appreciation for all the support that you, our families, have shown us through these very testing times. Thank you for home educating your children as best you can, for all the kind messages we have received and most of all your understanding that we were all doing our best to work together for your children throughout

This week we said farewell to our Year 6 children who had been attending school and others that came to collect books. Unfortunately they have all missed out on the lovely end of term celebrations that have always been a rite of passage for our Year 6 leavers. We did the best we could under the circumstances and sent them off with a leavers' booklet, hoodies for those that wanted one and of course our very best wishes as they continue on their journey. We wish them all well and would love to hear of their successes as they move onto secondary school.

The staff met this week, in a socially distanced manner, to allow us to share plans for opening up again in September—something everyone is very keen to do as Thanet just isn't the same without all of our fantastic children bringing the school buildings to life. We also said thank you and farewell to Miss Bell, Miss Nicholls and Mr Ogram who are moving on to pastures new next term. We wish them all well.

Finally, we would just like to draw your attention to all of the emails that have been sent out to inform you of our plans for reopening. We hope everything within is self-explanatory but if you have any concerns then our email address help@thanet.hull.sch.uk or our school Facebook page will be operating a limited service to allow staff some time to rest and recharge.

We wish you all a very relaxing summer; we hope you stay safe and return in September raring to go again. We certainly will be and will be here to welcome you all back with a smile!

Thank you for your continued support,
Mrs J Machon and the Thanet Staff
